Similan Klinsmith ●

" Presently, I am fourth-year student which I will have graduated in in May, 2023, in faculty of SIT (School of Information Technology) at KMUTT(King Mongkut's University of Technology Thonburi) who is willing to acquire new knowledge and improve myself all the time. I am seeking for this position of your organization to utilize my skills in maximum. Furthermore, it would be a great opportunity to be a part with a professional team." **Click for more information**
